Traffic on your website growing well

We also considering doing PPC for you for this course. I checked the price per click for keywords such as Chinese medicine and is less than €0,5. We could discuss this online video chat. If you want I can prepare potential costing. We also would like to know if at this early stage our job is translated for

more customer queries. From charts, everything looks good but we also would like to know if you feel that you have physically more clients.
