

SEO Assessment

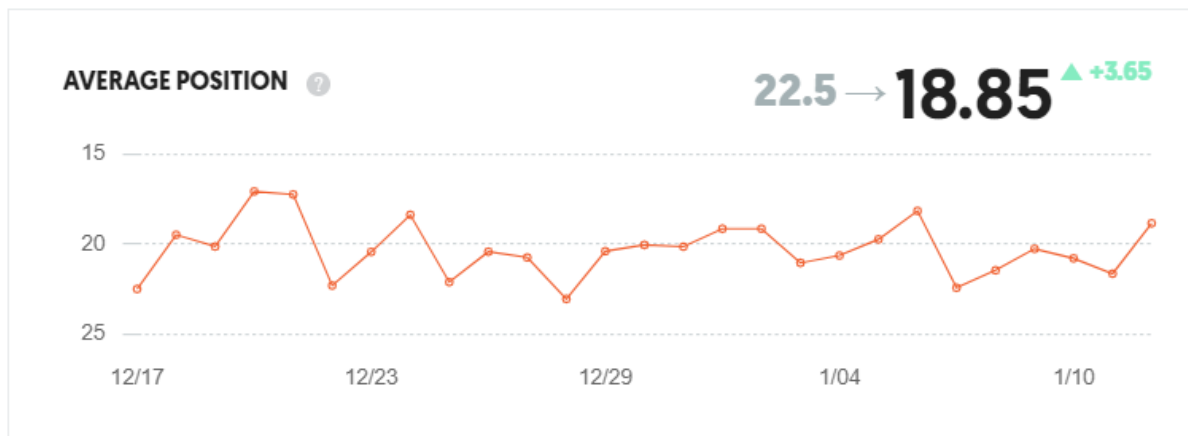

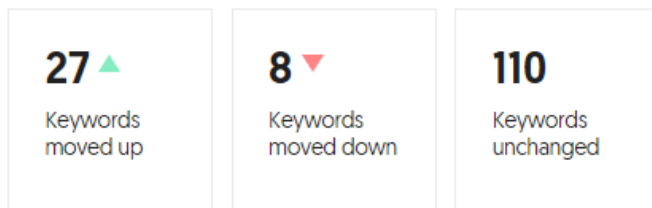

Your website lost a few backlinks last month, however, this is natural and that is why we monitor that. We will put a solid bunch in the next few weeks. It is very difficult to get backlinks in Portuguese language, and this is the most important for your website.

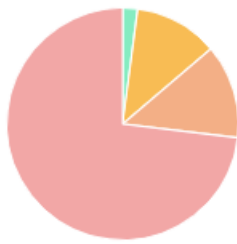

We optimised text in Portuguese for acupuncture service recently so it should boost this page soon.

However backlinks are the most important.

In overall your website still going up as you can see below.

CURRENT SEARCH RESULT RANKINGS ?

Top 3	1 → 3
Top 10	19 → 17
Top 100	20 → 19
Not ranking	105 → 106

PPC

We didn't lunched it yet. It is very difficult to optimise and choose the most reliable keywords compare to price per click. But we both are working on it.
