

## SEO Assessment

The website is growing and exactly 36 keywords moved up and 2 moved down. However, the most important is that it is happening what I wanted and we have worked on that since December. The keyword “online doctor Ireland” which has the biggest number of searches started ranking and moved up below 67 and 65 places.

33	<b>online doctor ireland</b> English / Ireland	100 → <b>33</b> ▲ +67	<a href="#">See Trend</a>	3,600	
35	<b>online doctor ireland</b> English / Dublin,County Dublin,Ireland	100 → <b>35</b> ▲ +65	<a href="#">See Trend</a>	1,600	
<input type="checkbox"/>	42	<b>online gp</b> English / Ireland	96 → <b>42</b> ▲ +54	<a href="#">See Trend</a>	590

The Backlinks profile getting stronger with great pick-up.

Social media as usual we are posting.
