

# SEO Assessment

## Website Health:

Overall is excellent and no errors detected.

## Website Speed:

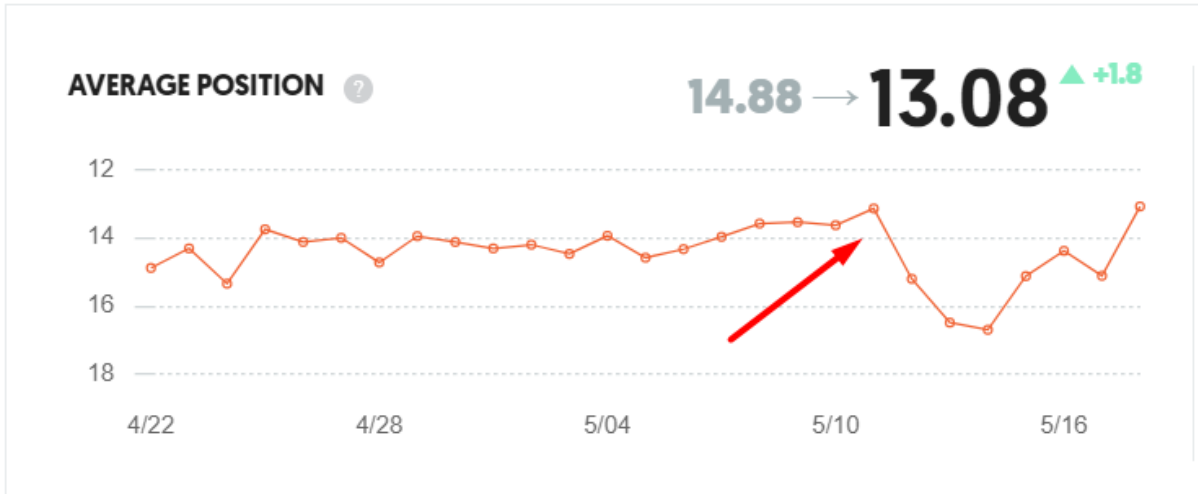

Website speed performance is absolutely perfect.

## SEO:

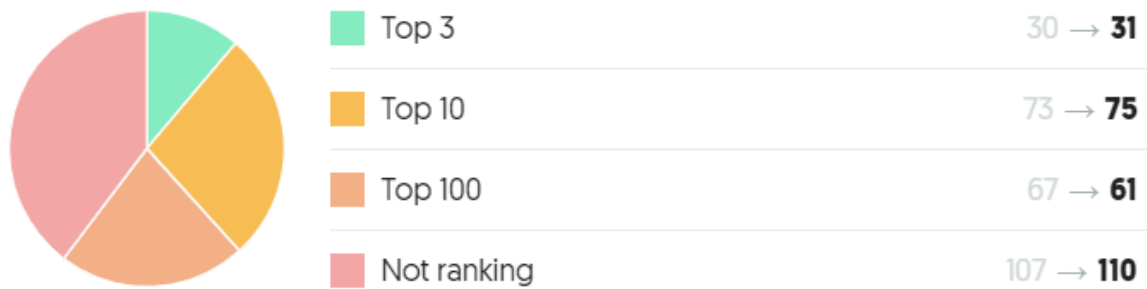

We started tracking new location. This is for very local SEO in Ajuda area and close Santo Amaro and Bairro Do Restelo. We added a set of new keywords after our chat focused for this location. On the chart you can see as sudden drop in results. It is pointed by red arrow below. After few days it goes up again.

# SEO Assessment

Number of keywords in top 3 grew up as on the chart below. You can also check your detail report.

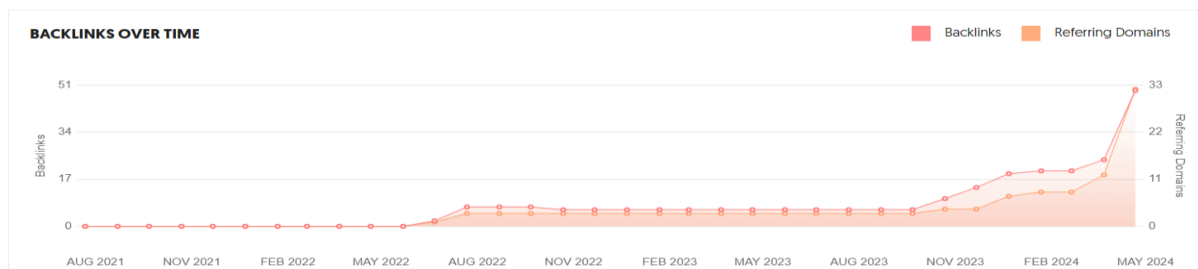

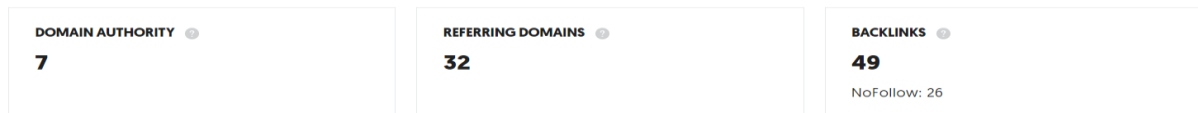

### CURRENT SEARCH RESULT RANKINGS ?

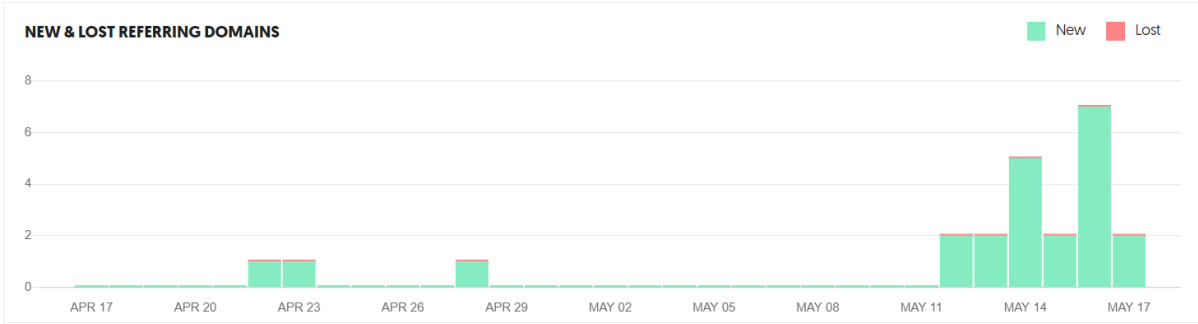

## Backlinks

We keep building backlink profile sustainably. I can see that lots of backlinks was already discovered in the last month and there will be more. The charts below show that clearly.
